### **Marketing**

Once you have booked dates in with us and paid your rental you will need to provide us your show details, they can all be uploaded here:-

<http://www.kingsarmssalford.com/submit-your-show/>

Then we will get you show on sale and tickets can be purchased via our website  
[www.kingsarmssalford.com](http://www.kingsarmssalford.com)

Also let us know your twitter feed, if you have set up a Facebook event etc. We will help as much as we can but your marketing campaign is YOUR job.

We will also give you a copy of our press list. Contact people individually. Never bulk email the press list. Your email will just get deleted.

### **Technical**

- Bring a copy of the script for the exclusive use of the technician to make notes in. The director should have their own copy.
- Having your cues marked clearly in the script beforehand (LX1, LX2, etc for Lighting cues and SQ1, SQ2, etc for sound cues) will save you valuable Get In time and allow you more time to rehearse and prepare.
- The King's Arms is a compact theatre space and to focus the lights we need to be able to get ladders to them. If you wish to focus any lighting, it needs to be done before you set the bulk of the scenery and nothing should be set up beneath any lamps you wish to focus. The fewer people in the room for this process the safer and more efficient.
- The tech booth is solely for the use of people operating tech. No other person should be in the booth or near the booth during the performance.
- If the show involves any projection the technician needs to be informed prior to the first day of production. All video files need to be in an .AVI or .WMV format. If you are operating projection from your own laptop please note that our connection is VGA only so you would need an adaptor for any other input.
- Any audio cues should be provided on a usb stick and discussed with us prior to booking

## **Box Office / Front of house**

We do not provide box office or front of house staff. We will give you a list of people who have booked for your show on the day of your performance.

## **Settlement**

After your performance has ended we will let you know how much is owed and you will need to invoice us for any amounts due to you. We will pay you by BACS.

## **Cancellations**

If you cancel your performances for any reason within 6 weeks of your allotted time your venue rental will not be refunded or full payment MUST be made.

## **Extra Costs**

- For performances that go beyond their allocated time there will be an additional fee of £30 per half an hour to cover staffing costs incurred.
- Get out must be completed on the night of your final performance.
- There will be a storage charge of £10 per day for any items left in the theatre.
- If they are not collected after 7 days there will be an extra charge of £20 for taking items to the tip. These charges will be taken from your ticket sales.
- We expect the space to be left as it is found.
- There will be an extra cost for cleaning if it is not.
